Winemaking: Maceration, fermentation and elevage in oak barrels

Annual production : 165.000 bottles

Château Lafitte 2019

Tasting by Michel Rolland

Very beautiful color with purple reflections.

On the first nose, the aromas of spices, incense and liquorice bring a lot of complexity.

Then, it evolves on notes of raspberry, cherry and currant.

The attack is characterized by a beautiful presence on the palate. The sweetness and the fruit bring a lot of elegance and length to this wine.

A serious wine, to keep but which will also bring a lot of pleasure from now on.
